Always Look on the Bright Side of Life by Monty Python

(Cheer up man)
(You know what they say)
(Some things in life are bad)
(They can really make you mad)
(Other things just make you swear and curse)
When you're chewing on life's gristle

And whistle helps things turn out for the best
And
Always look on the bright side of life
Always look on the light side of life
If life seems (1)_____ rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle, that's the thing
And always look on the bright side of life
(Come on)
Always look on the bright side of life
For life is quite absurd and death's the final word
You must always face the (2)_____ with a bow
Forget about your sin, give the audience a grin

Always look on the right side of life
(Come on guys, cheer up)
Always look on the bright side of life
Always (6)_____ on the bright side of life
Worse things happen at sea, you know
Always look on the (7)_____ (8)_____ of life
(What have you got to lose)
You know, you come from nothing
You're going back to nothing
What have you lost (nothing)
Always look on the right side of life
Nothing will come from nothing, you know, lifestyle...
