

## Fill in the gaps

There was a new girl in town	I need you to (10) my way back to the start
She had it all figured out (had it all figured out)	When we (11) in (12) things
Well I'll state something rash	(13) better than they are
She had the most amazing smile	Let me (14) into
I bet you didn't expect that	Into (15) arms (into (16) arms)
She made me change my ways	(Oh) she's (17) away
(She made me change my ways)	I always (18) when I'm thinking of words to say
With eyes (1) the sunsets, baby	All the things she does
And legs that went on for days	Make it seem (19) love
I'm falling in love	If it's just a game (just a game)
But it's falling apart	I like the way that we play
I need to (2) my way (3) to the start	I'm falling in love, but it's (20) apart
When we were in love	I (21) you to find my way (22) to the
Oh, things (4) better than (5) are	start
Let me back into, into your arms	I'm falling in love, but it's falling apart
(Into your arms)	I need you to find my way back to the start
She (6) her way to the bar	When we were in love (23) (24)
I tried to (7) to her but she (8) so	better (25) they are
far	Let me (26) into
(She seemed so far)	Into (27) arms
Out of my league (out of my league)	Into your arms
I had to find a way to get her next to me	Into (28) arms
I'm (9) in love	Into your arms
But it's falling apart
