## What Love Really Means by JJ Heller

He cries in the corner where nobody sees	He's waiting to die as he (9) all alone
He's the kid with the story no one would believe	He's the man in a cell who (10) what he's
He prays (1) night	done
Dear God won't you please	He utters a cry from the depths of his soul
Could you send someone here who will love me?	Oh Lord, forgive me, I wanna go home
Who will love me for me	Then he heard a voice (11) deep
Not for what I have done	inside
Or what I will become	And it said
Who will love me for me	I (12) you've (13) and I know
'Cause nobody has shown me what love	you've lied
What love really means	And I have watched you (14) all of your life
What love (2) means	And now (15) you're listening I'll tell you
Her office is shrinking a little each day	(16) I
She's the woman whose (3) has run away	l will (17) you for you
She'll go to the gym after working today	Not for what you have done
Maybe if she was thinner	Or what you (18) become
Then he would've stayed	I will love you for you
And she says: Who will love me for me	I will give you the love
Not for what I have done	The love (19) you (20) knew
Or what I will become	Love you for you
Who will (4) me for me	Not for (21) you (22) done
'Cause (5) has (6) me what love	Or what you will become
What (7) (8) means	I will love you for you
What love really means	I will give you the love
	The love (23) you (24) knew
