What Love Really Means by JJ Heller

Fill in the gaps

He cries in the corner where (1) sees	He's waiting to die as he sits all alone
He's the kid with the (2) no one would believe	eve He's the man in a cell who regrets what he's done
He prays every night	He utters a cry from the depths of his soul
Dear God won't you please	Oh Lord, forgive me, I wanna go home
Could you send someone here who will love me?	Then he heard a voice somewhere deep inside
Who will love me for me	And it said
Not for (3) I have done	I know you've murdered and I know you've lied
Or what I will become	And I have watched you suffer all of (7) life
Who will love me for me	And now that you're listening I'll tell you that I
'Cause nobody has shown me what love	I will love you for you
What love really means	Not for what you have done
What love (4) means	Or what you will become
Her office is shrinking a little each day	I (8) love you for you
She's the woman whose husband has run away	I will give you the love
She'll go to the gym after (5) today	The love that you never knew
Maybe if she was thinner	Love you for you
Then he would've stayed	Not for what you (9) done
And she says: Who will love me for me	Or what you will become
Not for what I have done	I will love you for you
Or what I will become	I will give you the love
Who will love me for me	The love that you never knew
'Cause nobody has shown me what love	
What love really means
