Fill in the gaps

Get a (1) of me, get a load of you	It's inevitable
Walkin' (2) the street, and I hardly know you	It's a fact that we're gonna get down to it
It's just like we were meant to be	So tell me
Holding hands with you when we're out at night	Why can't I breathe whenever I think about you
Got a girlfriend, you say it isn't right	High enough for you to make me wonder
And I've got someone waiting too	Where it's goin'
What if (3) is just the beginning	High enough for you to pull me under
We're already wet, and we're gonna go swimming	Somethin's growin'
Why can't I (4) whenever I think about you	Out of this that we can control
Why can't I speak whenever I talk about you	Baby I am dyin'
It's inevitable	Why can't I breathe whenever I think about you
It's a fact that we're gonna get down to it	Why can't I speak whenever I talk about you
So tell me	Why can't I (6) whenever I think about you
Why can't I breathe whenever I think about you	Why can't I speak (7) I talk about you
Isn't this the best part of breakin' up	It's inevitable
Finding someone else you can't get enough of	It's a fact that we're gonna get down to it
Someone who wants to be with you too	So tell me
It's an itch we know we are gonna scratch	Why can't I (8) whenever I think about you
Gonna take a while for this egg to hatch	Whenever I think about you
But wouldn't it be beautiful	Whenever I think about you
Here we go, we're at the beginning	Whenever I think about you
We haven't ***** yet, but my (5) spinning	Whenever I (9) about you
