## Time Is Ticking Out by The Cranberries

We'd better think about the things we say
We'd better think about the games we play
The world (1) round, around and round
We'd better think about the consequences
We'd better think about the global senses
The (2) went out, the time went out
What about Chernobyl?
What about radiation?
We don't know, we don't know
What about deprivation?
Gluttony, the human nation?
We don't know, we don't know
For me love is all, for me love is all
For me love is all, for me love is all
To the love is all, for the love is all
Time is (3) out
Time is (3) out
Time is (3) out  Looks (4) we (5) up the (6) layer
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out  What about our children then?
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out  What about our children then?  Is there nothing left for them?
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out  What about our children then?  Is there nothing left for them?  We don't know, we don't know
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out  What about our children then?  Is there nothing left for them?  We don't know, we don't know  For me love is all, for me (9) is all
Time is (3) out  Looks (4) we (5) up the (6) layer  I wonder if the (7) care  And time went out, and time (8) out  What about our children then?  Is there nothing left for them?  We don't know, we don't know  For me love is all, for me (9) is all  For me love is all, for me love is all
