

Fill in the gaps

There you stand opened heart, opened doors
Full of life (1) the world that's wanting more
But I can see when the lights start to fade
The day is done and your smile has (2) away
Let me raise you up
Let me be your love
May I (3) you as you (4) to sleep
When the world is (5) in
And you can't breathe
May I love you, may I be (6) shield?
When no one can be found
May I lay you down
All I want is to keep you safe from the cold
To give you all that (7) heart needs the most
Let me raise you up
Let me be your love
May I hold you as you fall to sleep
When the world is closing in
And you can't breathe

May I love you, may I be your shield
When no one can be found
May I lay you down
All that's made me (made me)
Is all worth trading (worth trading)
Just to have one moment with you
So I (8) let go (will let go)
All that I (9) (that I know)
Knowing that you're here (10) me
For your love is changing me
May I hold you as you fall to sleep
When the world is closing in
And you can't breathe
May I love you, may I be your shield
When no one can be found
May I lay you down
