Fill in the gaps

New York was cold and damp		
TV is just a blank		
Looks (1) another dead end Sunday		
What about an early night		
Monday never feels so bright		
(Ooh) the sheets (2) cold and lonely		
There goes the telephone		
Suddenly you feel at home		
And there's a sweet voice on the line		
Who wants to (3) the pouring rain		
For a glass of French champagne?		
Well grab a cab, grab a cap and baby, come right by		
And she was hot		
As she (4) my mouth		
She was hot		
As I wiped her brow		
She was hot		
She pinned me to the ground		
She was quick		
She knew her way around		
She was hot		
As she tore my clothes		
She was hot		
She had no place to go		
She was hot		
On a cold and rainy night		
Detroit was smoky grey		
Nothing like the good old days		

Well I got a fever that I'm fighting

JUB inglês		
I don't need your company		
Leave me in my misery		
I can take the rebound just like lightning		
And she was hot		
In a 50's dress		
She was hot		
Her lips were flashing red		
I was lost		
In her (5) flesh		
I was hot		
I was dripping sweat		
She was hot		
In the Detroit snow		
She was hot		
She had no place to go		
She was hot		
On a cold and rainy night		
And she was hot		
And I had the blues		
She was hot		
Honey, where were you?		
If you were in my shoes		

You would be excused

You can never wait

She was hot

She was hot

Never hesitate

She was hot

On a cold and rainy night

I think I'm going off the rails

Fill in the gaps

Riding down the pleasure trails

I was taking (6)	where you find it	
Honey when you were young and fresh		
And you need the touch of your flesh		
Go take the treasure where you find it		
And she was hot		
In the melted snow		
She was hot		
In the molten glow		
She was hot		
She got it in the blood		
She was hot		
Like the dam (7) burst	s	
She was strong		
She was strong and true		
She was black		
And her (8) were blue		
She was lost		
And she took a chance		
At just a brief romance		
Down the avenue		
Into the lost bayou		
Into the tall bamboo		
Back to the human zoo		
I wish you all the best		
I hope we (9) again		
On a (10) Chicago nig	ht	
She was hot		
She was hot		
She was hot hot hot		

Fill in the gaps

She was hot hot hot
