Fill in the gaps

Kissing A Fool by Michael BublÃ©

You are far
When I could have been your star
You listened to people
Who scared you to death and from my heart
Strange that you were strong enough
To even make a start
You'll never find the peace of mind
Till you listen to (1)_____ heart
People
You can never change the way they feel
Better let them do just what they will
For they will
If you let them (2)_____ your heart from you
People
Will always make a lover feel a fool
But you knew I loved you
We could have shown them all
We should have (3)_____ love through
Fooled me with the tears in (4)_____ eyes
Covered me with kisses and lies
So bye
But please don't take my heart
You are far
I'm never gonna be (5)_____ star
I'll pick up the pieces
And mend my heart
Strange that I was wrong enough
To think you'd love me too
You (6)_____ have been kissing a fool
I said you must have been kissing a fool
But remember this
Every other kiss
That you'll ever give
Long as we both live
When you need the hand of another man
One you really can surrender with
I will wait for you
Like I (7)_____ do
There's something there
That can't compare with any other
You are far
When I could have been your star
You listened to people
Who scared you to death and from my heart
Strange that I was wrong enough
To think you'd love me too
You (8)_____ have been kissing a fool
You (9)_____ have been (10)_____ a fool
You must have been kissing
A fool

Fill in the gaps

Answer
