## SUB inglés

Who's laughing, baby

## Fill in the gaps

## Leave Me Alone by Michael Jackson

I don't care what you talking about, baby	So (7) leave me alone (leave me alone,
I don't care what you say	(8) me alone)
Don't you come walking, begging back, mama	Leave me alone
I don't care anyway	Leave me alone (leave me alone, leave me alone)
Time after time I gave you all of my money	Leave me alone, stop it
No excuses to make	Just stop dogging me around
Ain't no (1) that I can't climb, baby	'Cause there's a time when you're right
All is going my way	And you know you must fight
'Cause there's a time when you're right	Who's laughing, baby
And you know you must fight	Don't you know
Who's laughing, baby	And there's the choice that we make
Don't you know	And this (9) you will take
And there's the choice that we make	Who's laughing, baby
And this choice you will take	So just leave me alone (leave me alone, leave me alone)
Who's laughing, baby	Leave me alone
So just leave me alone (leave me alone, leave me alone)	Leave me alone (leave me alone, leave me alone)
Leave me alone	Leave me alone, stop it
Leave me alone (leave me alone, (2) me alone)	Just stop dogging me
Leave me alone, stop it	(Leave me alone, leave me alone) leave me alone
Just (3) (4) me around	Leave me alone
There was a time I used to say, girl I need you	Leave me alone (leave me alone, leave me alone)
But who is sorry now	Leave me alone, stop it
You really hurt, you (5) to take and deceive me	Just stop dogging me around
Now who is sorry now	Don't come begging me
You got a way of (6) me feel so sorry	Don't come begging
I found out right away	Don't come loving me
Don't you come walking, begging, I ain't loving you	Don't (10) begging
Don't you get in my way	I love you
'Cause there's a time when you're right	I don't want it
And you know you must fight	I don't, I don't, I don't, I-I
Who's laughing, baby	Don't come begging me
Don't you know	Don't come begging
And there's the choice that we make	Don't come loving me
And this choice you will take	Don't come begging
