You got a piece of me

Fill in the gaps

My Life Would Suck Without You by Kelly Clarkson

Guess this means you're sorry		And honestly
You're standing at my door		My life (my life) would suck (would suck)
Guess this means you take back		Without you
All you said before		Being with you
Like how much you wanted		Is so disfunctional
Anyone but me		I really shouldn't miss you
Said you'd (1) (2) back		But I can't let you go
But here you are again		(Oh yeah)
'Cause we belong together now, yeah		'Cause we (7) together now, yeah
Forever united here somehow, yeah		Forever united here somehow, yeah
You got a piece of me		You got a piece of me
And honestly		And honestly
My life (my life) would suck (would suck)		My life (my life) would suck (would suck)
Without you		Without you
Maybe I was stupid for telling you goodbye		'Cause we belong together now, yeah
Maybe I was wrong for tryin' to pick a fight		Forever united (8) somehow, yeah
I know (3) I've got issues		You got a piece of me
But you're pretty messed up too		And honestly
Either way, I found out I'm nothing (4)	_ you	My life (my life) would suck (would suck)
'Cause we (5) together now, yeah		Without you
Forever (6) here somehow, yeah
