I Know You Care by Ellie Goulding

Clinging to me

Like a last breath you would breathe

You were like home to me

I don't recognize this street

Please don't close (1)_____ eyes

Don't know where to look without them

Outside the cars speed by

I've (2)_____ (3)_____ them until now

I know you care

I know it is always been there

But there is trouble ahead I can feel it

You were just saving yourself when you hide it

Yeah, I know you care

I see it in the way you stare

As if there was trouble ahead and you knew it

I'll be saving myself from the ruin

And I know you care

I used to run down the stairs

To the door and I (4)_____ you were there

To (5)_____ to the comfort of us

Two lovers locked out of love

But I (6)_____ you care

I know it is always been there

But there is trouble ahead I can feel it

You were just saving yourself when you hide it

Yeah, I know you care

I see it in the way that you stare

As if there was trouble ahead and you knew it

I'll be saving myself from the ruin

I (7)_____ it wasn't always wrong

But I've never known a Winter so cold

No, I don't warm my hands in (8)_____ coat

But I still hope

'Cause this is how things ought to have been

And I know the words are there

Wasn't all that it seemed, why can't I dream

Why can't I dream

'Cause I (9)_____ you care

And I know you care

I know you care

I know you care

I (10)_____ it's always been there
