

Fill in the gaps

Feels like you made a mistake	Feel uneasy, baby
You made somebody's heart break	I can't live without you, tell me
But now I have to let you go	What I am supposed to do about it
I have to let you go	Keep (5) distance from it, don't pay no attention to
You left a stain	me
On every one of my good days	I got a disease, and well, I think that I'm sick
But I am stronger than you know	But leave me be while my world is coming (6) on
I have to let you go	me
No one's ever turned you over	You taste like honey, honey, tell me can I be your honey
No one's tried	Be, be strong, keep telling myself it (7) won't take
To ever let you down	long till
Beautiful girl, bless your heart	I'm free of my disease
I got a disease deep inside me, (1) me	Well, I'm free of my disease
Feel uneasy, baby	Free of my disease
I can't live without you, tell me	I got a disease deep inside me, makes me
What I am supposed to do about it	Feel uneasy, baby
Keep your distance from it, don't pay no attention to me	I can't (8) without you, tell me
I got a disease	What I am supposed to do about it
Feels like you're (2) a mess	Keep your distance from it, don't pay no attention to me
You're hell on wheels in a black dress	I got a disease, and well I think that I'm sick
You drove me to the fire	But leave me be (9) my world is coming down
And left me (3) to burn	on me
Every little (4) you do is tragic	You taste (10) honey, honey
All my life, all was magic	Tell me can I be your honey
Beautiful girl, I can't breathe	Be, be strong, keep telling myself that it won't take long till
I got a disease deep inside me, makes me	I'm free of my disease
	Hey, free of my disease
	Set me free of my disease
