

Fill in the gaps

In this room of darkness I ain't undercover	Making my (5) rise I feel the eyes on
That won't stop my prowess rubbing off on to another	me
Elevating higher as my body's moving lower	Sip the bottle now don't be slow
Now I've reached my element, you better move over	Keep up with me as we lose control
But he doesn't, he blocks my way	Keep up with me as we lose control
I try to push past but he wants to play	When we erupt into the room
So I sip his drink as I (1) his gaze	And hear the sub go boom
When we (2) into the room	A feeling easy to resume
And hear the sub go boom	This right here I (6) will end too soon
A feeling easy to resume	So I sink in to the tune
This right here I swear will end too soon	As I inhale the fume
So I sink in to the tune	A feeling easy to resume
As I inhale the fume	This right here I swear will end to soon
A feeling easy to resume	(This right here I swear will end to soon)
This right here I (3) will end too soon	This right here I swear will end too soon
(This right here I swear will end too soon)	This right here I swear (7) end too soon
This right (4) I swear	This right here I swear (8) end too soon
This right here I swear	When we (9) (10) the room
This right here I swear will end too soon	And hear the sub go boom
My limbs seem to move what the beat dictates to me	A feeling easy to resume
I push in to the middle the sound becomes a part of me	This right here I swear will end too soon
Taking me back to that sweet familiarity
