

Fill in the gaps

There go the street lights	Who cares, let's rock, 'cause the party don't stop
The night's officially on	Do what you wanna do
I got the green light	Tonight the world does not exist
To do whatever we want	(No, no, no, no)
I'm gonna (1) outside the box	Move how you wanna move
And put the rules on hold	All my girls work it out like this
Tonight	Give me room to shake, shake, shake
Carte blanche, first class for the evening	All the (5) stepping out for a public affair
Ready, set, go	All night, that's right 'cause the (6) don't stop
All the girls stepping out for a public affair	All the cameras come out for a public affair
All night, that's (2) 'cause the party don't stop	Who cares, let's rock, 'cause the party don't stop
All the cameras come out for a public affair	All the girls stepping out for a public affair
Who cares, let's rock, 'cause the party don't stop	All night, that's right 'cause the party don't stop
All the girls stepping out for a public affair	All the (7) come out for a public affair
All night, that's right 'cause the party don't stop	Who cares, let's rock, 'cause the (8) don't stop
All the cameras come out for a public affair	All night don't stop
Who cares, let's rock, 'cause the party don't stop	Who cares, let's rock
Hey Baby, I see you looking (3) here baby	All (9) don't stop
Are you gonna keep looking or get up	Who cares, let's rock
And talk to me	Hey Baby
Here's an opportunity that you don't wanna miss tonight	All the girls stepping out for a public affair
Got (4) first class for the evening	All night, that's right 'cause the party don't stop
Ready, set, go.	All the cameras come out for a public affair
All the girls stepping out for a public affair	Who cares, let's rock, 'cause the party don't stop
All night that's right 'cause the party don't stop	
All the cameras come out for a public affair
