## Here (In Your Arms) by Hellogoodbye

I like	And our cheeks
Where we are	Can brush
When we drive	'Cause our lips
In your car	Can touch
I like	Here
Where we are	Well you are the one, the one that lies close to me
Here	Whispers hello, I've missed you (4) terribly
'Cause our lips	I fell in love, in love with you suddenly
Can touch	There's no place else I could be but here in your arms
And our cheeks	Our lips
Can brush	Can touch
Our lips	Our lips
Can touch	Can touch
Here	Here
Well you are the one, the one that lies (1) to me	You are the one, the one (5) lies (6)
Whispers hello, I've (2) you quite terribly	to me
I fell in love, in love with you suddenly	Whispers hello, I've missed you quite terribly
There's no (3) else I could be but here in your	I fell in love, in love with you suddenly
arms	There's no place else I could be but here (in your arms)
I like	Well you are the one, the one (7) (8)
Where you sleep	close to me
When you sleep	Whispers hello, I've missed you quite, missed you quite
Next to me	I fell in love, in love with you suddenly
I like	Now there's no place else I could be but here in (9)
Where you sleep	arms
Here	Here in your arms
