Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to (1)_____ a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold (2)_____ standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm (3)_____ to find a happy
I'm (4)_____ to find a happy place
Seven thousand light years travel
Let my (5)_____ of time unravel
Trapped feelings are never ending
Send those (6)_____ descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving
Cut a hole (7)_____ through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm (8)_____ to find a happy place
A (9)_____ place
A happy place
A happy...
Find a star, send (10)_____ a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Fill in the gaps

Answer
