

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here (1)_____ cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm (2)_____ to find a happy place
Seven (3)_____ light years travel
Let my sense of time unravel
Trapped feelings are (4)_____ ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the (5)_____ power
Rising like a (6)_____ tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send down a (7)_____ to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I (8)_____ found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to (9)_____ a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. it's
2. going
3. thousand
4. never
5. primal
6. giant
