

## Fill in the gaps

Broken people get recycled					
And I hope that I will					
Sometimes we're thrown off our pathways					
What I (1) was my way home					
Wasn't the place I					
No I'm not afraid of changing					
I am certain nothing's certain					
What we own becomes our prison					
My possessions will be gone					
Back to where they came from					
Blame no one is to blame					
As natural as the rain that falls					
Here comes the flood again					
See the rock that you hold onto					
Is it gonna save you					
When the earth begins to crumble					
Why do you feel you (2) to (3) on					

imagine ir you let go					
Blame no one is to bla	ame				
As (4) as the rain that falls					
Here comes the flood	again				
Wash away the (5)_		that	(6)		yo
