

Fill in the gaps

'm more than just an option	Then nothing's gonna (16) us apart
(Hey hey hey)	It's more than just a mission
Refuse to be forgotten	(Hey hey hey)
(Hey hey hey)	You hear but you don't listen
took a (1) (2) my heart	(Hey hey hey)
(Hey hey hey)	You better pay attention
And I feel it taking over	(Hey hey hey)
'd (3) find your loving	And give what you've been missing
'd better (4) (5) heart	I'd better find your loving
'd better (6) your loving	l'd (17) find (18) heart
'd (7) find your heart	I'd better (19) your loving
'd better find (8) loving	I'd (20) find your heart
'd better find your heart	I'd better find your loving
bet if I (9) all my love	I'd (21) find your heart
Then nothing's gonna tear us apart	I bet if I give all my love
'm more than just a number	Then nothing's gonna tear us apart
(Hey hey hey)	Too many times I've been wrong
(10) you'll find another	I guess being right (22) too long
(Hey hey hey)	I'm done waiting there's nothing left to do
So every (11) summer	But give all I have to you and
(Hey hey hey)	l'd (23) (24) your loving
be the one that you remember	I'd better find your heart
And I'd (12) find your loving	I'd better find your loving
'd better find your heart	I bet if I give all my love
'd better find your loving	Then nothings (25) tear us apart
'd better (13) your heart	I bet if I give all my love
'd better (14) your loving	Then nothings gonna tear us apart (tear us apart)
'd better find your heart	
bet if I (15) all my love
