

## Fill in the gaps

hold on so nervously	Well, I'm still imagining
To me and my drink	A dark little place
wish it was cooling me	Or your place or my place
But so far has not been good	Well I'm not paralyzed but I seem to be struck by you
t's been ()	I wanna make you move
And I (1) (2) as I should	Because you're standing still
This club has got to be	If your (13) matches (14) your eyes can
The (3) thing	do
Since I thought you and me	You'll probably move (15) through
Well, I am imagining	Me on my way to you
A dark lit place	Well I'm not paralyzed but I (16) to be struck by
Or your place or my place	you
Well I'm not paralyzed but I seem to be (5) by	I wanna (17) you move
you	Because you're (18) still
wanna (6) you move	If your body (19) what your (20)
Because you're (7) still	can do
f (8) (9) matches (10) your	You'll (21) move right through
eyes can do	Me on my way to you
You'll probably move right through	Not paralyzed but I seem to be (22) by you
Me on my way to you	I wanna make you move
hold out for one more drink	Because you're standing still
Before I think	If your body matches what your eyes can do
'm looking too desperately	You'll probably move (23) through
But so far has not been fun	Me on my way to you
should just stay home	You'll probably move right through
f one thing (11) means one	Me on my way to you
This club will hopefully	You'll probably (24) (25) through
Be (12) in three weeks	Me on my way to you
That would be cool with me
