

## Fill in the gaps

I hold on so nervously
To me and my drink
I wish it was cooling me
But so far has not been good
It's been ()
And I feel awkward as I should
This club has got to be
The most pretentious thing
Since I thought you and me
Well, I am imagining
A dark lit place
Or your place or my place
Well I'm not paralyzed but I seem to be struck by you
I wanna (1) you move
Because you're standing still
If your body matches (2) your eyes can do
You'll probably move right through
Me on my way to you
I hold out for one more drink
Before I think
I'm looking too desperately
But so far has not been fun
I (3) just stay home
If one (4) really means one
This club will hopefully
Be closed in three weeks

Well, I'm (5) imagining
A dark little place
Or your place or my place
Well I'm not paralyzed but I seem to be struck by you
I wanna make you move
Because you're standing still
If your body matches what your (6) can do
You'll probably move (7) through
Me on my way to you
Well I'm not paralyzed but I seem to be struck by you
I wanna (8) you move
Because you're standing still
If your body matches what your eyes can do
You'll probably move right through
Me on my way to you
Not paralyzed but I seem to be struck by you
I (9) make you move
Because you're standing still
If your body matches (10) your eyes can do
You'll probably move right through
Me on my way to you
You'll probably move right through
Me on my way to you
You'll probably move right through
Me on my way to you
