

Fill in the gaps

Missing by Everything But The Girl

I step off the train	And I miss you
I'm (1) down your (2) again	Like the deserts miss the rain
And (3) your door	And I miss you, yeah
But you don't (4) there anymore	Like the deserts miss the rain (I miss you)
It's (5) since you've (6) there	I (17) off the train
And now you've disappeared somewhere	I'm walking (18) (19) street again
Like outer space	Pass your door
You've (7) some (8) place, and I	I (20) you don't live there anymore
miss you	It's years since you've been there
Like the deserts miss the rain	And now you've disappeared somewhere
And I miss you	Like outer space
Like the deserts (9) the rain	You've found some better place
Could you be dead	And I miss you
You always were two (10) ahead	And I miss you
Of everyone	You've found some better place
We'd walk behind while you (11) run	And I miss you
I look up at your house	Like the (21) miss the rain
And I can almost (12) you shout, (13) to	And I miss you, yeah
me	Like the deserts (22) (the rain)
Where I always (14) to be	And I miss you, and I miss you
And I miss you	Like the deserts miss the rain
Like the deserts miss the rain	And I miss you, yeah
And I miss you	Like the deserts (23) (the rain)
Like the deserts (15) the rain	The (24) miss the rain
Back on the train	Like the deserts miss the rain (like the deserts miss the rain
I ask why did I come again	Like the deserts miss the rain
Can I confess	
I've been hanging around your old address	
And the years have proved	
To offer (16) since you moved	
You're long gone	
But I can't move on
