

You're long gone But I can't move on

Fill in the gaps

Missing by Everything But The Girl

I step off the train	And I (5) you
I'm walking down your street again	Like the deserts miss the rain
And pass (1) door	And I miss you, yeah
But you don't live (2) anymore	Like the deserts miss the rain (I miss you)
It's years since you've been there	I step off the train
And now you've disappeared somewhere	I'm (6) down your street again
Like outer space	Pass your door
You've found (3) better place, and I miss you	I guess you don't live there anymore
Like the deserts miss the rain	It's years since you've been there
And I miss you	And now you've disappeared somewhere
Like the deserts miss the rain	Like outer space
Could you be dead	You've found (7) better place
You always were two steps ahead	And I miss you
Of everyone	And I miss you
We'd walk behind while you would run	You've found some better place
I look up at your house	And I miss you
And I can almost (4) you shout, down to me	Like the deserts miss the rain
Where I always used to be	And I miss you, yeah
And I miss you	Like the deserts miss (the rain)
Like the deserts miss the rain	And I miss you, and I miss you
And I miss you	Like the deserts miss the rain
Like the deserts miss the rain	And I miss you, yeah
Back on the train	Like the deserts miss (the rain)
I ask why did I come again	The (8) (9) the rain
Can I confess	Like the deserts miss the rain (like the deserts miss the rain
I've been hanging around your old address	Like the deserts (10) the rain
And the years have proved	
To offer nothing since you moved
