

Fill in the gaps

Listen	For someone like you
I've had other guys	Don't you know, don't you know that it's
I've looked into their eyes	True love, oh baby
But I never knew love before	True love, oh baby
Till you walked (1) my door	True love, oh baby
I've had other lips	True love it's
I've sailed a thousand ships	True love, oh baby
But no matter where I go	True love, oh baby
You're the one for me baby this I know	True love, oh baby
'Cause it's	True love it's
True love	True, so if you should ever doubt
You're the one I'm dreaming of	Wonder what love is all about
Your heart fits me like a glove	Just think back and remember dear
And I'm gonna be	Those words whispered in your ear, I said
True blue baby I love you	No more more sadness
I've heard all the lines	I kiss it good-bye
I've cried oh so many times	The sun is bursting
Those teardrops they won't fall again	Right out of the sky
I'm so excited 'cause you're my best friend	I searched the whole world
So if you should ever doubt	For someone like you
Wonder what love is all about	Don't you know, don't you know that it's
Just think (2) and (3) dear	True love (this time I know it's true love)
Those words whispered in (4) ear, I said	You're the one I'm dreaming of (the one I'm dreaming of
True love	Your heart fits me like a glove (heart fits us like a glove)
You're the one I'm (5) of	And I'm gonna be
Your heart fits me like a glove	True blue (8) I love you (I love you)
And I'm gonna be	This time I (9) it's true love (la la la la la la)
True (6) baby I love you, 'cause it's	The one I'm dreaming of (la la la la la la)
True love (this time I know it's true love)	Heart fits us like a glove (and I'm gonna be)
You're the one I'm dreaming of (the one I'm dreaming of)	True blue, baby I love you
Your heart fits me like a glove (heart fits us like a glove)	'Cause it's
And I'm (7) be	True love, oh baby
True blue baby I love you	True love, oh baby
No more more sadness	True love, oh baby
I kiss it good-bye	True love it's
The sun is bursting	
Right out of the sky	
I searched the whole world	

1. through
