

Fill in the gaps

You're not alone	Keep (7) on
Together we stand	Cause you know we'll make it trough, we'll make it trough
I'll be by your side	Just stay strong
You (1) I'll take your hand	Cause you know I'm here for you
When it (2) cold	There's nothing you can say, nothing you can do
And it feels like the end	There's no other way (8) it comes to the truth
There's no place to go	So (9) holding on
You know I (3) give in	Cause you know we'll make it trough, we'll make it trough.
No I wont give in.	Hear me when I say, when I say
Chorus:	I believe nothing's gonna change,
Keep holding on	nothing's gonna change destiny
Cause you know we'll make it trough, we'll make it trough	Whatever is meant to be
Just stay strong	We'll work out perfectly yeah yeah yeah yeah
Cause you know I'm here for you	Lalalalalalala
There's nothing you can say, nothing you can do	Keep holding on
There's no other way when it comes to the truth	Cause you know we'll make it trough, (10)
So keep holding on	make it trough
Cause you know we'll make it trough, we'll make it trough.	Just stay strong
So far away I wish you were here	Cause you know I'm here for you
Before it's too (4) this could all disappear	There's nothing you can say, nothing you can do
Before the doors close, this (5) to an end	There's no other way when it comes to the truth
But (6) you by my side I will fight and defend	So keep holding on
I'll fight and defend yeah yeah.	Cause you know we'll make it trough, we'll make it trough.
