Keep Holding On by Avril Lavigne

Fill in the gaps

You're not alone	Keep holding on
Together we stand	Cause you know we'll make it trough, we'll make it trough
'll be by your side	Just stay strong
You know I'll take your hand	Cause you know I'm here for you
When it gets cold	There's nothing you can say, nothing you can do
And it feels like the end	There's no other way when it comes to the truth
There's no place to go	So keep holding on
You know I wont give in	Cause you know we'll make it trough, we'll make it trough.
No I wont give in.	Hear me when I say, when I say
Chorus:	I believe nothing's gonna change,
Keep (1) on	nothing's gonna change destiny
Cause you (2) we'll make it trough, we'll make it	Whatever is meant to be
rough	We'll work out perfectly yeah yeah yeah yeah
Just stay strong	Lalalalalala
Cause you know I'm here for you	Keep (7) on
There's nothing you can say, nothing you can do	Cause you know we'll make it trough, we'll make it trough
There's no (3) way when it comes to the truth	Just stay strong
So keep holding on	Cause you (8) (9) here for you
Cause you (4) we'll make it trough, we'll make it	There's nothing you can say, nothing you can do
rough.	There's no other way when it comes to the truth
So far away I wish you were here	So keep holding on
Before it's too late this could all disappear	Cause you know we'll make it trough, we'll make it trough.
Before the doors close, this (5) to an end	
But with you by my (6) I will fight and defend	
'll fight and defend yeah yeah.
