## Barely Breathing by Duncan Sheik

And only you to blame Will it ever change

## Fill in the gaps

I know (1) you're doing	'Cause I am barely breathing
I see it all too clear	And I can't find the air
I only taste the saline	I don't know who I'm kidding
When I kiss away your tears	Imagining you care
You really had me going	And I could stand here waiting
Wishing on a star	A (6) for another day
But the (2) holes that (3)	I don't suppose it's worth the price
you	It's worth the price, the price that I would pay
Are heavier by far	But I'm thinking it over anyway
I believed in your confusion	I'm thinking it over anyway
You were so completely torn	I've come to find
It must have (4) that yesterday	I may never know
Was the day that I was born	Your (7) mind
There's not much to examine	Is it friend or foe
There's nothing left to hide	I rise above
You really can't be serious	Or sink below
If you (5) to ask me why	With every time
I say good-bye	You come and go
'Cause I am barely breathing	Please don't
And I can't find the air	Come and go
I don't know who I'm kidding	'Cause I am barely breathing
Imagining you care	And I can't (8) the air
And I could stand here waiting	I don't know who I'm kidding
A fool for another day	Imagining you care
I don't suppose it's worth the price	And I could stand here waiting
It's worth the price, the price that I would pay	A fool for another day
Everyone keeps asking	I don't suppose it's (9) the price
What's it all about	It's worth the price, the price that I would pay
I used to be so certain	But I'm thinking it over anyway
And I can't figure out	I'm thinking it over anyway
What is this attraction	I know what you're doing
I only feel the pain	I see it all too clear
Nothing left to reason
