(Oh) where (oh) where	There (5) people
Can my baby be	Standing all around
The Lord took her	Something warm
Away from me	Flowing (6) my eyes
She's gone to heaven	But somehow
So I've got to be good	I found my baby that night
So I can see my baby when I leave	I (7) her head
This world	She (8) at me and said
We were out on a date	(Hold me darling)
In my daddy's car	(For a little while)
We hadn't (1) far	I held her close
There in the road	I (9) her our (10) kiss
Straight ahead	I found the love
A car was stalled	That I (11) I had missed
The engine was dead	Well now she's gone
I couldn't stop	Even though I (12) her tight
So I swerved to the right	I lost my love my life
I'll never forget	That night
The sound (3) night	(Oh) where (oh) where
The screamin' tires	Can my baby be
The bustin' glass	The Lord took her
The painful scream that I	Away (13) me
Heard last	She's (14) to heaven
(Oh) where (oh) where	So I've got to be good
Can my baby be	So I can see my baby when I leave
The Lord took her	This world
Away from me	(Uh uh uh uh uh)
She's (4) to heaven	(Uh uh uh uh uh)
So I've got to be good	(Oh oh oh oh oh)
So I can see my baby when I leave	(Oh oh oh oh oh)
This world
