Fill in the gaps

This Used To Be My Playground by Madonna

This used to be my playground	Well then, there's hope yet
This used to be my childhood dream	I can see your face in our secret place
This used to be the place I ran to	You're not just a memory
Whenever I was in (1) of a friend	Say goodbye to yesterday
Why did it have to end	Those are (7) I'll never say
And why do they (2) say	(I'll never say)
Don't look back	This used to be my playground
Keep your head held high	(Used to be)
Don't ask them why	This (8) to be our pride and joy
Because life is short	This used to be the place we ran to
And before you know	That no one in the world could dare destroy
You're (3) old	This used to be our (9) (used to be
And (4) heart is breaking	This used to be our childhood dream
Don't hold on to the past	This used to be the place we ran to
Well, that's too much to ask	I wish you were standing here with me
This used to be my playground	This (10) to be our playground
(Used to be)	(Used to be)
This used to be my (5) dream	This used to be our childhood dream
This used to be the (6) I ran to	This used to be the place we ran to
Whenever I was in need of a friend	The best things in life are always free
Why did it have to end	Wishing you were here with me
And why do they always say	
No regrets	
But I wish that you were here with me
