## JUB inglés

Now look at me baby

## Fill in the gaps

## Brilliant Disguise by Bruce Springsteen

I hold you in my arms	Struggling to do everything right
As the band plays	And then it all (14) apart
What are those words whispered baby	(Oh) When out go the lights
Just as you turn away	I'm just a lonely pilgrim
I saw you (1) night	I walk this world in wealth
Out on the (2) of town	I want to (15) if it's you I don't trust
I wanna (3) (4) mind	'Cause I damn sure don't trust myself
To know just what I've got in this new (5) I've	Now you play the (16) woman
found	I'll (17) the faithful man
So (6) me (7) I see	But (18) don't look too close
When I look in your eyes	Into the (19) of my hand
Is that you baby	We stood at the altar
Or just a brilliant disguise	The gypsy (20) our (21) was
I heard (8) (9) your name	right
From underneath our willow	But come the wee wee hours
I saw something tucked in shame	Well maybe (22) the gypsy lied
Underneath your pillow	So (23) you (24) at me
Well I've tried so hard baby	You better look hard and look twice
But I just can't see	Is that me baby
What a (10) like you	Or just a brilliant disguise
Is doing with me	Tonight our bed is cold
So tell me who I see	I'm lost in the darkness of our love
When I (11) in your eyes	God (25) mercy on the man
Is (12) you baby	Who (26) he's sure of
Or (13) a brilliant disguise
