Closer

Closer				
Closer				
Closer				
Turn the lights off in this place				
And she shines just like a star				
And I swear I know her face				
l just don't know who you are				
Turn the music up in here				
I still hear her loud and clear				
Like she's right there in my ear				
Telling me that she wants to own me				
To control me				
Come closer (come closer)				
Come closer				
And I just can't pull myself away				
Under her spell I can't break				
l just can't stop (I just can't stop)				
l just can't stop (I just can't stop)				
And I (1) can't bring myself away				
But I don't want to escape				
l just can't stop (I just can't stop)				
l just can't stop (I just can't stop)				
l just can't stop				
I can feel her on my skin				
I can taste her on my tongue				
She's the sweetest taste of sin				
The more I get the (2) I want				
She wants to own me				
Come closer				

She says come closer
