Something Beautiful by Robbie Williams

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The silence was pitiful	Can't control it
That day	Try as you might
Our love is getting too cynical	May you find that love that won't leave you
Passion's just physical	May you find it by the end of the day
These days	You won't be lost, hurt, (6) and lonely
You analyze everyone you meet	Something beautiful will come your way
But get no sign, love ain't kind	(Will come your way)
Every night you (1) defeat	Some kind of beautiful
And cry yourself blind	(Will come your way)
If you can't wake up in the morning	Some kind of beautiful
'Cause your bed lies vacant at night	(Will come your way)
If you're lost, hurt, tired or lonely	Some kind of beautiful
Can't control it	(Will come your way)
Try as you might	All your friends (7) you're satisfied
May you find that (2) that won't leave you	But they can't see your soul no, no, no
May you find that (2) that won't leave you May you find it by the end of the day	But they can't see your soul no, no, no Forgot the time feeling petrified
May you find it by the end of the day	Forgot the time feeling petrified
