## Baby When The Lights by David Guetta

Inspite of all the consequence			Baby when the lights go out	
Inspite of all my pride			I (6)	_ you calling (I hear you calling)
Inspite of little things you said			Baby when the lights go out	
That hide me deep inside			I need you	
I believe your love			Baby when the lights go out	
I breathe your love			I hear you calling (I (7) you calling)	
Like the air in the morning			Baby when the lights go out	
I sleep your love			I need you	
I salute your love			And there's the dark, begins to rain	
And I can't get away			The sound is heavy on me	
Baby when the lights go out			Baby (8) the lights go out	
I hear you calling (I hear you calling)			I (9) you	
Baby when the lights go out			Under the spell I (10) be under your touch	
I need you			Under the spell I wanna be under the rush	
Baby when the lights go out			Baby when the lights go out	
I (1) you calling (I hear you calling)			Baby when the lights go out	
Baby when the lights go out			Baby when the lights go out	
I need you			I hear you calling (I hear you calling)	
The lights of all you see			Baby when the lights go out	
You (2) have overcome all this			I need you	
And I still can't get over you			Baby when the lights go out	
Are you someone I'll forever miss			I hear you calling (I hear you calling)	
I believed (3)	(4)	I can feel your love	Baby when th	ne lights go out
And that's all that I wanted			I need you
