

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore

As the light sinks low, will I see you any more?

As the rain falls from the sky

Can I (1)_____ you back, from a distant lullaby?

Show me (2)_____ vision, the (3)_____ begun

Two (4)_____ are rising and burning as one

In the (5)_____ blue of the night

Shine the (6)_____ of (7)_____ and my spirit burning bright

Spinning on, into the sun

Flying higher now my journey's begun

And the cold, cold wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know that you're near me

There's a star, calling my name

It's echo is true and the song is not the same

Take my (8)_____ and (9)_____ me away

Bring me back to you in your arms I'm going to stay

Tell me your vision, the story begun

Two lights are rising and burning as one

All those years drifting in space

I have known you well, yet I've never seen (10)_____ face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, cold wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know that you're near me
