

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore

As the light sinks low, will I see you any more?

As the rain falls from the sky

Can I bring you back, from a distant lullaby?

Show me your vision, the story begun

Two lights are (1)_____ and (2)_____ as one

In the deep blue of the night

Shine the millions of stars and my spirit burning bright

Spinning on, (3)_____ the sun

Flying higher now my journey's begun

And the cold, cold wind, it (4)_____ me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know (5)_____ you're near me

There's a star, calling my name

It's echo is (6)_____ and the song is not the same

Take my hand and (7)_____ me away

Bring me back to you in your arms I'm going to stay

Tell me your vision, the story begun

Two lights are rising and (8)_____ as one

All those years drifting in space

I have known you well, yet I've never (9)_____ your face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, cold wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again
