I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was (1)_____ to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is (2)_____ alright
I (3)_____ all night
What in this world
Keep us (4)_____ tearing apart
No matter where I go I hear
The beating of your heart
I (5)_____ about you when the night is cold and dark
No one can move me the way (6)_____ you do
Nothing erases this feeling between me and you
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I (7)_____ all night
I taste your sweet (8)_____ your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
I drove all night
I taste your sweet kisses (9)_____ arms open wide
This fever for you is just burning me up inside
