

Fill in the gaps

I had to escape	I drove all night
The city was sticky and cruel	To get to you
Maybe I should have called you first	Is that alright
But I was (1) to get to you	I drove all night
I was dreaming while I drove	Crept in your room
The long straight road ahead	Woke you from (6) sleep
Could taste your sweet kisses your arms open wide	To make (7) to you
This fever for you is (2) burning me up inside	Is that alright
I drove all night	I drove all night
To get to you	I taste your sweet kisses (8) arms open wide
Is that alright	This fever for you is just burning me up inside
I drove all night	I drove all night
Crept in your room	To get to you
Woke you from your sleep	Is that alright
To make love to you	I drove all night
Is that alright	Crept in your room
I drove all night	Woke you (9) your sleep
What in this world	To (10) love to you
Keep us from tearing apart	I drove all night
No matter (3) I go I hear	I taste your sweet kisses your arms open wide
The beating of your heart	This fever for you is just burning me up inside
I think about you when the night is cold and dark	I drove all night
No one can (4) me the way that you do	
Nothing (5) this feeling between me and you
