

## Fill in the gaps

Here i stand alone	Do you pray that I d never left your side
With this (1) upon my heart	What if I had never let you go
And it (2) not go away	Would you be the man I used to know
In my head I keep on looking back	If I'd stayed, if you'd tried
Right back to the start	If we could only turn back time
Wondering (3) it was that (4) you	But I guess we'll never know
change	If only we could turn the hands of time
Well I tried but I had to draw the line	If I could take you back would you still be mine
And still this question keeps on spinning in my mind	'Cause I tried but I had to draw the line
What if I had never let you go	And still this question keeps on spinning in my mind
Would you be the man I used to know	What if I had never let you go
If I'd stayed, if you'd tried	Would you be the man I (7) to know
If we could only turn back time	What if I had never walked away
But I guess we'll never know	'Cause I still love you more than I can say
Many roads to take	If I'd stayed, if you'd tried
Some to joy, some to heartache	If we could only (8) back time
Anyone can (5) their way	But I (9) we'll never know
And if I said that we could turn it back	We'll never know
Right back to the start	
Would you take the (6) and make the change	
Do you think how it would have been sometimes
