

Fill in the gaps

I can't	And I don't (15) to cry
Go (1) with it	It's just the smoke gets in my eyes
You can say just what you like	You're (16) lies I (17) to
But you (2) did it	believe in
You backtrack	When I'm watching you walk out the door
And change your act at a hundred lies a minute	I could (18) through the floor
But fool as I am I won't go along with it	I can't
Am I confused, am I a	Go (19) it
Crazy person, you say it's	You can say (21) what you like
Old news she doesn't	But you still did it
Mean nothing	You backtrack
But don't you (3) (4) I	And (22) your act at a hundred lies a minute
am heartbroken	But fool as I am I won't go along with it
No matter (5) you do you just can't make it untrue	Let the (23) drum stop
You're (6) (7) I want to	I wanna turn back the clock
believe in	I wanna find the (24) pieces
When I'm watching you (8) out the door	Of the (25) love I lost
I could fall through the floor	You say it like you (26) it
I can't	And I want to (27) it
Go (9) with it	'Cause I can't stop this feeling
You can say just what you like	I can't
But you still did it	Go along with it
You backtrack and change (10) act	You can say just what you like
At a (11) (12) a minute	But you (28) did it
But fool as I am I won't go along (13) it	You backtrack
Too much to lose and it's	And change your act at a hundred lies a minute
Still raining, I know it's	But fool as I am I won't go along with it
Not a (14) so I'll	
Stop playing	
But oh, my heart's on fire and it	
Keeps burning
