

When it's your fault

## Fill in the gaps

| (Ohhh) I miss the misery                | I miss the late nights                            |
|---|---|
| (Oh oh oh oh)                           | Don't miss you at all!                            |
| (Oh oh oh oh)                           | I like the kick in the face                       |
| I've been a mess since you stayed       | And the things you do to me!                      |
| I've been a wreck since you changed     | I love the way that it hurts!                     |
| Don't let me get in your way            | I don't miss you, I miss the misery!              |
| I miss the (1) and the pain             | Just know that I'll make you hurt                 |
| The fights that keep us awake (ake ake) | (I miss the lies and the pain what you did to me) |
| I'm telling you!                        | When you tell me you'll make it worse             |
| I miss the bad things                   | (I'd rather fight all night than watch the TV)    |
| The way you hate me                     | I hate that feeling inside                        |
| I miss the screaming                    | You tell me how hard you'll try                   |
| The way that you blame me!              | But when we're at our worst                       |
| Miss the phone calls                    | I miss the misery                                 |
| When it's your fault                    | I miss the bad things                             |
| I miss the (2) nights                   | The way you hate me                               |
| Don't miss you at all!                  | I miss the screaming                              |
| I like the kick in the face             | The way that you (6) me                           |
| And the things you do to me!            | I miss the (7) sex                                |
| I love the way that it hurts!           | Leaves me a mess                                  |
| I don't (3) you, I miss the misery!     | I (8) the feeling of (9) in my chest!             |
| (Oh oh oh oh)                           | Miss the phone calls                              |
| I've (4) but I just can't take it       | When it's your fault                              |
| I'd rather fight than just fake it      | I miss the late nights                            |
| ('Cause I like it rough)                | Don't miss you at all!                            |
| You (5) that I've had enough            | I like the (10) in the face                       |
| I dare ya to call my bluff              | And the things you do to me!                      |
| Can't take to much of a good thing      | I love the way that it hurts!                     |
| I'm telling you!                        | I don't miss you, I miss the misery!              |
| I miss the bad things                   | (I don't miss you, I miss the misery)             |
| The way you hate me                     |   |
| I miss the screaming                    | I don't miss you, I miss the misery!              |
| The way that you blame me!              |   |
| Miss the phone calls                    |   |
