## Nothing's Real But Love by Rebecca Ferguson

Standing in a line	No money, no house, no car
Wonder why it don't move	Is like love
Trying to get a hand	(La la la la la yeah)
Watching people break the rules	I put it all away
Maybe the man in charge	Holding it back for
Doesn't like my face	A rainy day
But then this world's not always good	But what if (5) day don't come
And nothing's real but love	I (6) love
Nothing's (1) but love	No money, no house, no car
No money, no house, no car	ls (7) love
Can beat love	(Oooh)
They watch us (2) mouthed	It don't fill you up
As we (3) around like fools	It won't build you up
See who can be the worst	It won't fill you up
Watch what I can do	It's not love
But then the door gets slammed	And nothing's real without love
Slammed right in my face	No money, no house, no car
And I guess (4) world's not always good	Is like love
And nothing's real but love	Nothing's real but love
Nothing's real but love	No money, no house, no car
No house, no car, no job	Is like love
Can beat love	
It won't fill you up
