

Where do they go

Fill in the gaps

And what do they do
They're walking on by
They're looking at you
Some people stop, some people stare
But would they help you and do they care
How did you fall
Did you fall at all
Are you happy where you are
Sleeping underneath the stars
When it's cold is it your hope that keeps you warm
A spare bit of change
Is all that I give
How is that (1) help
When you've got no (2) to live
Some turn away so they don't see
I bet you'd look if that were me
How did you fall
Did you fall at all
Is it (3) where you are

Sleeping in between parked cars
When it thunders (4) do you hide from the storm
Could you (5) forgive
My self pity
When you've got nothing and your living
On the streets of the city
I couldn't live without my phone
But you don't (6) have a home
How did we fall
Can we get up at all
Are we happy (7) we are
On our lonely little star
When it's cold is it (8) hope that keeps you warm
Where do (9) go and what do they do
They're (10) on by
They're looking at you
They're walking on by
They're looking at you
