Fill in the gaps

You the primer on the lime bean green box

When I couldn't afford the Ford

Clean socks scooting across the floor

In your grandmama's house

X-men, X-men, your ex-boyfriend should thank me

That I (19)_____ you off his hands

No I can't (20)_____ another beach to the sand

And know I am well aware

That you can bring a man to his knees

And get what you need without saying please

But can you bring a man to his feet

When defeat is on repeat

And they put this man's Grammy's on the street

What, why so quiet

Hate that all of our memories happened in a Hyatt

You (21)_____ perfect before you (22)_____ on a diet

You was way (different)

You think I don't remember

The magazine got to your head

Now somebody you don't even know got you in bed

Bet your (23)_____ don't even know you don't like red

Or was it fuchsia
