

They try to catch a falling star

Fill in the gaps

Thinking that she had gone too far
She did but kept it hidden well
Until she cracked and then she fell
If all the history is true
She's gonna end up (1) like you
You made it to the other side
But tell me who (2) be my guide
They build you up so they can tear you down
Trust the ocean you'll never drown
Who is next, who's gonna steal your crown
You'll see
I have learnt my (3) well
The truth is out there I can tell
Don't look back and don't give in to (4) lies
And goodbyes
Northern star
Fulfil the longing in (5) heart
Then we will never be apart
And if (6) dare to question you
Just tell them that our love is true
They buy your dreams so (7) can sell your soul
Is it any wonder we've lost control
Feelings come

Feelings go	
I have learnt my lesson well	
The truth is out there I can tell	
Don't look back and don't succumb to their lies	
And goodbyes	
Live your (8) without regret	
Don't be someone who they forget	
When you're lost reach out for me and you'll see	
She's not far	
Northern star	
I have learnt my lesson well	
The truth is out there I can tell	
Don't look back and don't succumb to their lies	
And goodbyes	
Live your life without regret	
Don't be someone who they forget	
When you're lost (9) out for me and you'll	see
She's not far	
Northern star
