

## Fill in the gaps

Every breath I take

I still remember your reflection under the low light
I still hear you calling my name, calling me (1)
now
You are the only one that's in my mind
The only one (2) keeps me going
Even though you aren't (3) next to me
Even though you ain't here by my side
Every breath I take
It (4) me feel so broken
There're so many words (5) have gone unspoker
And now I'm laying down here
Wondering why the hell you had to disappear
All my heart (6) open
With (7) unspoken
Even though I'm walking fast
I don't get any closer
No, even though I'm praying every night
Still have no answer no, no
I'm a dreamer please don't (8) me up
It's the only place where I still see you
Day doesn't seem to be enough
To walk my path through

It makes me feel so broken
There're so many words that have gone unspoken
And now I'm laying down here
Wondering why the hell you had to disappear
All my heart wide open
With words unspoken
You left me out here all alone, here on my own
With only memories
The pieces of a past still incomplete
But I'll be strong, won't look back, I'll move on
There're so (9) words that have gone unspoken
Every (10) I take
It makes me feel so broken
There're so many words that have gone unspoken
And now I'm laying down here
Wondering why the hell you had to disappear
All my heart wide open
With words unspoken
