## SUB inglés

I know

## Fill in the gaps

## Piano In The Dark by Brenda Russell

When I find myself watching the time	Caught up in the middle
I never think about	I cry just a little
All the funny (1) you said	When I (6) of letting go
I feel like it's dead	Oh no, gave up on the riddle
Where is it leading me now	I cry just a little
I turn around in the still of the room	When he plays piano in the dark
Knowing this is (2) I'm gonna make my move	(In the dark)
Can't (3) any longer	Silence is broken
And I'm feeling stronger but (oh)	And no words are spoken but oh
Just as I walk (just a little more time)	Just as I walk (just a little more time)
Through the door (can you feel my emotion)	Through the (7) (can you feel my emotion)
I can feel your emotion	I can feel your emotion
It's pulling me back (just a little more time)	(Oh baby)
Back to love you	Pull me, pull me back (just a little more time)
I know	Back to love you
Caught up in the middle	I know
I cry just a little	Caught up in the middle
When I think of letting go	I cry just a little
Oh no, gave up on the riddle I	When I think of letting go
Cry just a little	Oh no, gave up on the riddle
When he plays piano in the dark	I cry (8) a little
	(oh) I cry, I cry
He (4) me close like a thief of the heart	I know
He plays a melody	I'm caught up in the middle
Born to tear me all apart	I cry (9) a little
The silence is broken	When I think of letting go
And no words are spoken but oh	Oh no, gave up on the riddle
Just as I walk (just a little more time)	I cry just a little
Through the door (can you feel my emotion)	When he (10) piano in the dark
I can feel your emotion	(In the dark)
It's pulling me back (just a little (5) time)	
Back to love you	

- 1. things
