Fill in the gaps

Piano In The Dark by Brenda Russell

When I find myself (1)	the time	Caught up in the middle	
I never (2) about		I cry just a little	
All the funny things you said		When I think of letting go	
I feel like it's dead		Oh no, gave up on the riddle	
Where is it leading me now		I cry just a little	
I turn around in the still of the room		When he plays (8) in the dark	
Knowing this is (3) I'm gonna	(4) my	(In the dark)	
move		Silence is broken	
Can't wait any longer		And no words are spoken but oh	
And I'm feeling stronger but (oh)		Just as I walk (just a little more time)	
Just as I (5) (just a little more time)		Through the door (can you feel my emotion)	
Through the door (can you feel my emotion)	I can feel your emotion	
I can feel your emotion		(Oh baby)	
It's pulling me back (just a (6)	_ more time)	Pull me, pull me back (just a little (9)	time)
Back to (7) you		Back to love you	
I know		I know	
Caught up in the middle		Caught up in the middle	
I cry just a little		I cry just a little	
When I think of letting go		When I think of letting go	
Oh no, gave up on the riddle I		Oh no, gave up on the riddle	
Cry just a little		I cry just a little	
When he plays piano in the dark		(oh) I cry, I cry	
		I know	
He holds me close like a thief of the heart		I'm caught up in the middle	
He plays a melody		I cry just a little	
Born to tear me all apart		When I think of letting go	
The silence is broken		Oh no, gave up on the riddle	
And no words are spoken but oh		I cry just a little	
Just as I walk (just a little more time)		When he plays piano in the dark	
Through the door (can you feel my emotion)	(In the dark)	
I can feel your emotion			
It's pulling me back (just a little more time)			
Back to love you
