

Fill in the gaps

Where do we go (1) here	You must love me
This isn't where	Why are you at my side
We intended to be	How can I be
We had it all	Any use to you now
You believed in me	Give me a chance
I believed in you	And I'll let you see how
Certainties disappear	Nothing has changed
What do we do	Deep in my heart I'm concealing
For our dream to survive	Things that I'm longing to say
How do we keep	Scared to confess
All our passions alive	What I'm feeling
As we (2) to do	Frightened you'll slip away
Deep in my (3) I'm concealing	You (7) love me
Things that I'm (4) to say	You must love me
Scared to confess	You must (8) me
What I'm feeling	
Frightened you'll (5) away	
You (6) love me
