Fill in the gaps

Falling In Love At A Coffee Shop by Landon Pigg

I think that possibly, maybe I'm falling for you	If I didn't know you
Yes there's a chance that I've fallen quite hard over you	I'd rather not know
I've seen the (1) (2) your eyes	If I couldn't have you, I'd (9) be alone
wander down	I never knew just what it was
I want to come too	About this old coffee shop I love so much
I (3) that possibly, maybe (4)	All of the while, I never knew
falling for you	I never knew just what it was
No one understands me	About this old coffee shop I love so much
Quite like you do	All of the while, I never knew
Through all of the shadowy corners of me	All of the while
I never knew just what it was	All of the while it was you
About this old coffee shop I love so much	You
All of the while I never knew	You
I think that possibly, maybe I'm falling for you	You
Yes there's a chance that (5) fallen	
(6) hard over you	
I've seen the (7) that make your eyes shine	
Now I'm shining too	
Because, oh because	
I've fallen quite (8) over you
